CRITERIA FOR A SEVENTH GRADE STUDENT PLACEMENT

Language Arts

Course Title: Seminar Language Arts

1. Qualifies as verbally gifted (97% on Cognitive Abilities Test – CogAT)
OR
2. Labeled as Exceeding on the Reading portion of the AzMERIT test. *(Pending class size, scores falling within 5 points of the exceeding range may be considered)*
OR
3. Students coming from other districts/states receiving a qualifying score on one of the approved tests for gifted placement may be enrolled in the class

Mathematics

Course Title: 8th Grade Math

1. Has mastered 7th grade district assessment and qualifies as quantitatively gifted (97% on Cognitive Abilities Test – CogAT).
OR
2. Has shown mastery on the 7th grade district assessment (if available) and teacher’s recommendation.
OR
3. Is labeled as “Exceeding” on the Math portion of the AzMERIT test, and has a prior teacher’s recommendation.

Science

Course Title: Seminar General Science

1. Qualifies as non-verbally gifted (97% on Cognitive Abilities Test – CogAT)
OR
2. Comes highly recommended from previous science instructors and shows a strong aptitude for science reflected in their previous grades.
OR
3. Students coming from other districts/states receiving a qualifying score on one of the approved tests for gifted placement may be enrolled in the class.

NOTE: Teacher recommendations are not a guarantee for advanced placement. Students will first be placed based on above criteria, then any interested students will be placed on a waiting list. At that time, teacher recommendation may be a factor considered.
