4.2 Changes to some verbiage in the Dress Code submitted by BST.

4.2.1 removal of the e.g. line in #2 specifying hair color and length of spikes. It was determined that the overarching qualifying statement that if something is distracting or disruptive, that could be limited, and there was no need to specify as it may lead to false enforcement.

4.2.2 adding the verbiage to #5 "hoodies being worn above the ears or over the head".

4.2.3 For #7 removing the 4 finger statement, but rather emphasizing the appropriateness that is covered in items #6 and # 10.
